

Clarus Capital Closes \$5 Million Lease Financing for a Sponsor-backed Healthcare Company

Financing Enhances Nationwide Footprint and Information Technology Edge

Boston, Massachusetts – Clarus Capital (“Clarus”) announced today the completion of a new \$5 million lease facility for a sponsor-backed healthcare company. The financing will support the acquisition of medical, imaging, and information technology equipment essential for outfitting new facilities across multiple locations.

Steve O’Leary, CEO of Clarus, stated, “We are pleased to execute this strategic lease facility, which aligns with our commitment to providing tailored financing solutions for private equity-owned companies across various industries. This partnership highlights our ability to deliver customized private credit products that facilitate the expansion and technological advancement of a leading healthcare company.”

Tim Conway, Chairman of Clarus, added, “This transaction underscores our dedication to serving as a trusted provider of private equipment finance solutions to sponsor-backed firms. We continue to demonstrate our ability to finance strategically essential assets through innovative products and exceptional execution. Our expertise in private credit enables us to deliver capital solutions that position our clients for long-term success.”

About Clarus Capital

Clarus Capital is a private credit firm specializing in delivering efficient capital solutions to finance tangible assets for middle market and large corporate borrowers. The company targets investments up to \$50 million across equipment types, industries, and throughout the credit spectrum via a seasoned group of investment professionals with diverse risk management and structuring expertise. Clarus Capital was formed as a partnership between a proven leadership team and long-term institutional capital with the goal of building a comprehensive equipment finance platform that addresses the needs of middle market and large U.S. companies. The firm is headquartered in Boston, MA, and has a nationwide footprint across the United States.
