Financing Supports New Production Equipment for Long-Term Contract

Boston, MA – Clarus Capital (“Clarus”) is pleased to announce the closing of a \$30 million equipment lease facility for a sponsor-backed packaging company. Clarus CEO Steve O’Leary stated, “Clarus is pleased to serve as a financial partner for this company and support a strategic opportunity for one of its longest tenured customers. These assets will provide the company with significant incremental production capacity and further improve their market position across key consumer products.”

Tim Conway, Clarus Chairman, added, “Having closed more than \$350 million of cumulative cash flow financings for this sponsor throughout our multi-decade relationship, we are excited to close this transaction as it marks a new chapter financing essential use assets.
